PROFILE

Project Implementation Manager and IT Consultant with 8+ years of experience delivering complex financial and banking system implementations within Tier-1 investment banks. Strong expertise in IT project delivery, system integration, UAT testing, incident management, and Agile execution. Proven ability to coordinate cross-functional technical teams and manage high-profile international clients across multi-country deployments.

WORK EXPERIENCE

Project Implementation Manager 2023 - 2025
BNP Paribas - BCEF CIB , Paris
Led end-to-end implementation of banking and financial IT solutions. Delivered SWIFTNet, EBICS, and Connexis implementations for VIP corporate clients. Planned and executed UAT and penny testing to ensure compliance and reliability. Acted as a SPOC for client. Coordinated IT teams, vendors, and business units to resolve complex incidents. Contributed to the design and rollout of new digital banking solutions.

Cash Management IT Consultant 2022
BNP Paribas - CIB , Paris
Defined and monitored project KPIs, timelines, scope, and resources. Built and managed detailed deployment plans (tasks, milestones, dependencies). Ensured project traceability and visibility using SWORD. Coordinated IT, business, and external stakeholders to deliver projects on time. Managed risks, incidents, and change requests throughout project lifecycle.

Liquidity Management IT Consultant 2021 - 2022
Societe Generale - CIB , Paris
Provided functional and technical support for LIQOR liquidity calculation tool. Monitored and resolved production incidents via LEMON, ensuring business continuity. Led continuous improvement initiatives with development and business teams. Managed BCE regulatory reporting (SSM exercises). Conducted post-patch quality checks and production validation.

Cash Management IT Consultant 2018 - 2020
BNP Paribas – CIB , Paris
Deployed Connexis platform across 35 countries. Managed interfaces and connectivity via AMI, SARA, and WELCOME. Proactively monitored and resolved technical and operational incidents. Delivered training and support to internal teams and international clients.
